## Emma Rush

Emma Rush has established herself as one of Canada's preeminent classical guitarists. Known for her innovative programming and powerful stage presence, along with her warm sound and virtuosic technique, an event with Emma Rush is one to remember. She is passionate about bringing classical music to unusual spaces, and bringing unusual music to classical spaces. She regularly tours rural, remote, and other communities where live music experiences are rare. Her concerts are intimate and engaging and feature rarely heard historical works, little-known gems of the Latin American guitar repertoire, folkloric music from around the world, and, always, music by female composers. Rush completed her graduate studies at the Hochschule für Musik in Detmold, Germany (2006), following an honours Bachelor of Music degree from Dalhousie University in Halifax, NS (2002).

## PIANO – POP/JAZZ

### Sandra Mogensen

Sandra Mogensen is equally at home in two worlds: performing as a solo pianist and co-performing with singers in recital. She has played in concert in both capacities in Canada, the United States, the United Kingdom, Denmark, Latvia, Iceland, Norway, Sweden, the Netherlands, and Austria. She did her early musical studies with her mother, Edite Mogensen, in Sarnia, Ontario. Sandra's further training as a pianist has taken her to study with Damjana Bratuz at the University of Western Ontario, the Orff-Institut Abteilung of the Mozarteum in Salzburg, the Royal Danish Conservatory of Music in Copenhagen where she studied with Friedrich Gürtler, and to Westminster Choir College in Princeton, NJ where she received the Master's of Music in Vocal Coaching and Accompanying, studying with J.J.Penna and Dalton Baldwin. Ms. Mogensen has had an extensive teaching career and enjoys mentoring musicians in their processes of self-discovery and artistic development. Sandra is drawn to the music of recent and living composers, as well as jazz and the art of improvisation. As a curator of musical experiences, Sandra seeks to reinvent and reinvigorate the recital format and heighten the listener's experience of connection, relevance and meaning. Exploring the use of visual elements and improvisation, reorganizing the typical recital structure and re-examining conventional recital practices form the basis of this evolving work.
