

Composition

Although there is a performance element to these classes, they are intended to gauge participants' ability to share what they create; i.e. musical notation or the ability to write down their works. Accordingly, participants are asked to provide written music as well as a digital file of their composition by Mon., March 27, 2023. Participants will also be asked to perform their music live at the Festival.

Entry fees include a workshop with the Adjudicator. This will be scheduled at a mutually agreeable time for participants and Adjudicator.
